WOOD or COAL.

Ahead of all Competition! 5463 of them manufactured last year—more than double the number of any other first class stove in one year, in the United States.

THEY contain all the improvements which are in all the I first class stoves, and the advantages and improve ments over other stoves are in part as follows: 1st. The arrangement for broiling on the front hearth,
-an improvement overlooked in other first class stores.
It has also the same arrangement for broiling on top.
21 A through verification of the broiling on top.

It has also the same arrangement for broiding on top,
2d. A thosough ventilation of the Over.
3d. Introducing hot air draught to the fire chamber,
thereby increasing the draught of the Stove, quickening
its operations, and enabling it to throw out more heat—a
matter mech and justly complained of in other Stoves,
4th. An important improvement in the application of
the damper, which throws the heat around the oven.
5th. Much greater weight, consequently heavier plates,
and more durable as well as handsomer casings.
6th. A draft damper at each end of the fire box, so
that the fire is equalized, and one gridle will heat as quick
as the other, elso heating the oven in half the time.
7th. Fire back protected by soap-stone, so it cannot

I took the Compound and was ablet preach in two days. * * * I believe the Compound is at invaluable medicine. I do we the contour of the contour

Come better acquainted with it."

Ecv. L. C. Stevens, Poster of the Bapt at Churchs Goffstown Control at a letter dated Fed. 1966, says— Some of my family have tried it, (the Compound, with signal success. I believe it to be verely be seen of the compound. The first success is before it to be verely be seen of the cough medicine I have good reason to be lieve it to be all it changes to be for Kidany D wesses and Diabete. Mr. Asa Goodhan, of How N. H., was so prost, well by Diebete, in March 1819, that neither himself no at who saw him thought that he could possibly be through the men h. As a last resort, he thought he would the Watte Fine Compound. They procure diabete him, he term to take it and to the surprise of an income lime, he term to take it and to the surprise of an income diabete howed signs of any adment. Reven month mediately howed signs of any naturest. Eleven montesterwards (Feb. 23, 1860) in a full statement of his concerns: "I believe Dr. Po'and's White Pine Compound under God, has been the means of my recovery the far."

Hundreds of cases of Kishney complaints, current riberty by taking the White Pine Compound, have betten to to by oragaists. Here are two samples:

An aged man in Danvers, Mass., leard of the Compound, as a wonderful curative for kidney or mplant it. Ing a great-sufferer from that difficulty, he sent to the Apothecary for two bottles. They current him. Herathics were worth fifty dellars. He has since soid agod many bottles it riself.

The second case wis that of a business man, in Saka Mass. He was also curred of the issue complaint. Afterwards he went to Minnesota. The great foil, use the journey brought on a return of his former difficulty, steeking in vain in Minnesota for the Compound, he will compelied to end all the way to Salem to have it for warded by express.
